Footnotes

<sup>1</sup> Priority list and schedule will be re-evaluated on an annual basis.

<sup>2</sup> It is anticipated that proposed MFLs will be submitted for voluntary scientific peer review following completion of the technical assessment.

<sup>3</sup> All 1<sup>st</sup> magnitude springs (Spring-1), and 2<sup>nd</sup> magnitude springs (Spring -2) within state or federally-owned lands purchased for conservation purposes, are required to be listed according to section 373.042, F.S.
