**GTDR offers a discount rate of \$1,395 per acre upon award of Hobbs Units 1-8.**

On any \*Hazard Tree Removal bids awarded to GTDR, Gaston Tree Service, LLC (GTS) will be a subcontractor for GTDR. Bill Gaston is also the sole owner of GTS. GTS has certified arborists on staff and has been in business since 1972. GTS also owns a crane that can lift out and lay down trees with no impact to the surrounding area.

The prices for the Hobbs units are good only if awarded to all 8 units. Otherwise each Hobbs Unit is a NO BID. We plan on using in-woods chipping of all material that can be skidded to a landing and processed as either biomass or clean chips. The remaining material will be raked, piled and burned on site with bulldozers and rubber tire front end loaders with rakes.
