

Northwest Florida Water Management District Online Payments

The Northwest Florida Water Management District is requesting that all payments to the District be made electronically rather than via paper methods such as cash, check, money order, or cashier's check. An "Online Payments" tab has been added to our website which will accommodate both credit card and electronic check payments. Please note, this will not replace the e-permitting portal for submitting payments for permit applications, etc. The "Online Payments" page is set up to submit all other types of payments. Examples include Timber Sale, Ad Valorem Tax, Bid/Performance Deposits, Contract Invoice Payments, and Fines or Settlements.

To submit payments electronically, simply visit our website www.nwfwater.com and select "Online Payments" from the main menu.

Please ensure all fields completed represent the entity/business/person that owes the payment. All fields are required.

Select the appropriate payment type from the drop down box.

Enter a brief description of what the payment is for so we can properly apply the payment (such as "Invoice number 12345" or "Contract 20-028 Timber Tract 3".)

Click "Pay Now".
