1.5 AWARDING OF BIDS

The District anticipates entering into an agreement with the respondent who submits the bid judged by the District to be the most advantageous. The agreement is for a three-year term and subject to satisfactory performance, the option to renew for a single additional three-year term. Pricing for the additional three-year term will be in accordance with the pricing outlined in the respondent’s bid for the period October 1, 2024 through September 30, 2027. The District reserves the right to award to the next lowest respondent in the event the successful respondent fail to enter into the Agreement, or the Agreement with said respondent is terminated within 90 days of the effective date.

The District reserves the right to reject any and all bids, to negotiate with the qualified respondent submitting the lowest responsive price, to waive any irregularities of a minor nature, and to solicit and re-advertise for other bids. Mistakes clearly evident on the face of the bid documents, such as computation errors, may be corrected by the District. After bids have been submitted, respondents shall not assert that there was a misunderstanding concerning the number or type of parameters nor the accuracy required of each parameter.

Bids received by the District in response to this ITB will become a public record (unless an exemption to Florida’s Public Records Law applies) when the District provides notice of its intended decision or 30 days after opening the bids, whichever is earlier. If the District rejects all bids and concurrently provides notice of its intent to reissue the ITB, the rejected bids remain exempt from Florida’s Public Records Law until such time as the District provides notice of an intended decision concerning the reissued ITB or until it withdraws the reissued ITB. A bid is not exempt for longer than 12 months after the initial notice rejecting all bids.

Bids will be made available for inspection at the time the District posts notice of its decision or intended decision concerning contract awards or 30 days after the opening, whichever is earlier.

1.14 BID BOND

Attorneys-in-fact who sign surety bid bonds and performance bonds must file with each bond a certified and effective dated copy of their power of attorney. **IMPORTANT** - Surety companies executing bonds must appear on the Treasury Department's most current list (Circular 570 as amended, see https://www.fiscal.treasury.gov/fsreports/ref/suretyBnd/c570_a-z.htm) and be authorized to transact business in the state where the project is located.

Prospective respondents are responsible for determining whether addenda have been issued and are advised to check the websites or with the District's Procurement Officer prior to submitting their bid.

Submission of a bid constitutes acknowledgment of receipt of all addenda. Bids will be construed as though all addenda have been received. Failure of the respondent to obtain any addenda does not relieve respondent from any and all obligations under the bid, as submitted. All addenda become part of the Agreement.

1.16 EQUAL OPPORTUNITY

The District recognizes fair and open competition as a basic tenet of public procurement. A. The District or its designated representatives will decide all questions, difficulties, and disputes of whatever nature which may arise under or by reason of this Agreement. The District's decision upon all claims, questions and disputes shall be final, conclusive and binding upon the parties hereto. This SECTION 11 does not preclude any party from seeking relief by filing a petition for administrative hearing pursuant to Chapter 120, Florida Statutes, where applicable.

B. If the Contractor fails to fulfill its obligations in a timely and proper manner under this Agreement, or if the Contractor violates any of the covenants, agreements, or stipulations of this Agreement, the District has the right to terminate this Agreement. This right to terminate will be exercised by giving written notice to the Contractor of such termination and specifying the reason and effective date thereof. Upon notice of intent to terminate this Agreement by the District, the Contractor will have a contract resolution period not to exceed thirty (30) days to resolve deficiencies, disputes or other contract issues to the District's satisfaction before the termination is final. During this resolution period the Contractor will not initiate any Work requiring additional compensation without written approval by the District.

C. The District may at any time and for any reason terminate this Agreement at the District's convenience. Upon receipt of such notice, the Contractor shall, unless the notice directs otherwise, immediately discontinue the Work and procurement for all materials and services in connection with the performance of this Agreement.

- D. The Contractor shall not be relieved of liability to the District for damages sustained by the District because of any breach of this Agreement, without prejudice to any other rights the District may have as a result of such breach, including but not limited to the right to consequential or incidental damages.
- E. In the event the District terminates this Agreement, other than for breach by the Contractor, the Contractor shall be compensated for Work completed as of the date of termination and for any irrevocable commitments for procurement for materials or services made by the Contractor as of the date of termination; provided, however, that the Contractor agrees that it will make no such commitments prior to receiving written approval from the District. The Contractor also agrees to provide all Work products completed or in progress at the date of termination.

SECTION 12. OWNERSHIP OF DOCUMENTS AND DELIVERABLES

- A. All reports produced and other data gathered by the Contractor for the purpose of this Agreement shall become the property of the District without restriction or limitation upon their use and shall be made available by the Contractor at any time upon request of the District.
- B. All deliverables, including Work not accepted by the District, are District property when Contractor has received compensation therefor, in whole or in part. For any Work subject to patent or copyright, such Work is a “work made for hire” as defined by the patent and copyright laws of the United States. Contractor shall not make any representation otherwise and, upon request, shall sign any documents so affirming. Any District source documents or other District or non-District documents, specifications, materials, reports, or accompanying data developed, secured, or used in the performance of the Work, excluding proprietary materials, as outlined in the Statement of Work, are District property and shall be safeguarded and provided to the District upon request. This obligation shall survive termination or expiration of this Agreement.

C. The District shall have the unrestricted right to use and disseminate all of the above-referenced documents without payment of further compensation to Contractor, provided that any future use for other than the purpose intended by this Agreement shall be at the District's sole risk and without liability to Contractor. Contractor shall include language in all subcontracts clearly indicating that ownership and copyright to all materials produced pursuant to this Agreement remains with the District, as provided herein. All original sketches, tracings, drawings, computation details, calculations, field books, and plans that result from the Work shall become the sole property of the District and Contractor shall submit all such work products to the District, if requested; Provided, that Contractor may retain copies of all work products created pursuant to this Agreement.

SECTION 13. RELEASE OF INFORMATION

The Contractor agrees not to divulge any information obtained in connection with the performance of services under this Agreement to anyone other than the District unless authorized in writing by the District, required by Florida Public Records law under Chapter 119, Florida Statutes, or required by court order. All drawings, specifications, diagrams, reports, documents, etc., furnished by the Contractor pursuant to this Agreement shall become the sole property of the District, and may be subject to disclosure by the District under Chapter 119, Florida Statutes.

SECTION 14. CHOICE OF LAW/FORUM

The parties hereby agree that any and all actions or disputes arising out of this Agreement shall be governed by the Laws of the State of Florida; and any such actions shall be brought in the courts sitting in Leon County, Florida.

SECTION 15. PUBLIC ENTITY CRIME/DISCRIMINATORY VENDOR LIST

A. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit bid, proposal, or reply on a contract with a public entity for the construction or

repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity. The same stipulation applies for a person, entity, or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime, except that the prohibitions specified apply to amounts that exceed \$35,000 for a period of 36 months from the date of being placed on the convicted vendor list. The Florida Department of Management Services maintains these lists and posts the lists on its website. Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, State Purchasing Division, at (850) 488-8440 or send email to purchasingcustomerservice@dms.myflorida.com.

SECTION 16. AGENCY INSPECTORS GENERAL

The Contractor understands and shall comply with Section 20.055(5), Florida Statutes, which states: It is the duty of every state officer, employee, agency, special district, board, commission, Contractor and subcontractor to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant to this section.

SECTION 17. ACCESS TO RECORDS FOR THE PURPOSE OF AUDITS

- A. The Contractor shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The District, the State, inspector general or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following Agreement completion. In the event any Work is subcontracted, the Contractor shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
- B. Contractor shall comply with Florida Public Records law under Chapter 119, Florida Statutes. Records made or received in conjunction with this Agreement are public records under

Florida law, as defined in section 119.011(12), Florida Statutes and Contractor shall keep and maintain such records as required by Florida Public Records law.

- C. This Agreement may be unilaterally canceled by the District for unlawful refusal by the Contractor to allow public access to all documents, papers, letters, or other material made or received by the Contractor in conjunction with this Agreement and subject to disclosure under Chapter 119, Florida Statutes, and Section 24(a), Article I, Florida Constitution.
- D. If the Contractor meets the definition of “Contractor” found in section 119.0701(1)(a), Florida Statutes, [i.e. an individual, partnership, corporation, or business entity that enters into a contract for services with a public agency and is acting on behalf of the public agency], then the following requirements apply:
1. A request to inspect or copy public records relating to this Agreement for services must be made directly to the District. If this District does not possess the requested records, the Contractor must provide the records to the District or allow the records to be inspected or copied within a reasonable time. If the Contractor fails to provide the public records to the District within a reasonable time, the Contractor may be subject to penalties under Chapter 119, Florida Statutes or as otherwise provided by law.
 2. Upon request from the District’s custodian of public records, the Contractor shall provide the District with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. All records that are stored electronically must be provided to the District in a format that is compatible with current information systems.
 3. The Contractor shall identify and ensure that all public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Contractor does not transfer the records to the District.

4. Upon completion of the Agreement, the Contractor shall transfer, at no cost to the District, all public records in possession of Contractor or keep and maintain public records required by the District to perform the Work. If the Contractor transfers all public records to the District, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public record disclosure requirements. If the Contractor keeps and maintains public records upon completion of the work, the Contractor shall meet all applicable requirements for retaining public records.

E. IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE DISTRICT'S CUSTODIAN OF PUBLIC RECORDS BY TELEPHONE AT (850) 539-5999; BY EMAIL AT OMBUDSMAN@NFWATER.COM; OR BY MAIL AT NORTHWEST FLORIDA WATER MANAGEMENT DISTRICT, 81 WATER MANAGEMENT DRIVE, HAVANA, FL 32333.

SECTION 18. FINANCIAL CONSEQUENCES AND REMEDIES

- A. In accordance with Section 287.058(1)(h), Florida Statutes, the District will apply financial consequences for nonperformance as follows:
 1. If Contractor fails to complete the Work hereunder within the agreement schedule or extension of the agreement schedule granted by the District, in its sole discretion, the invoice amount for the site(s) not serviced shall be reduced by 25 percent of the monthly amount as stated in Exhibit 1 to this Agreement.
- B. Cumulative Remedies: The rights and remedies of the District in this SECTION 20 are in addition to any other rights and remedies provided by law or under this Agreement.

SECTION 19. EXECUTION OF COUNTERPARTS

This Agreement may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

SECTION 20. AGREEMENT AS INCLUDING ENTIRE AGREEMENT

This Agreement, including documents identified in SECTION 1.A.2., Exhibit Map A and Exhibit 1 and supporting documents, all of which are hereby incorporated by reference, makes up the entire contract of the parties. There are no provisions, terms, conditions or obligations other than those contained herein; and this Agreement shall supersede all previous communication, representation, or agreements, either verbal or written between the parties hereto.

IN WITNESS THEREOF, the District and the Contractor have executed this Agreement as of the last date below written.
