Re: Sale of Mitigation Credits from Nokuse Plantation Mitigation Bank, SAJ-2007-2663-MB-DEB

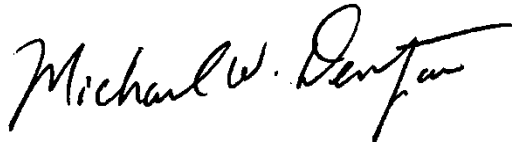

Dear Mr. Wells,

This letter shall serve to fulfill the sponsor's obligations, detailed at 33 CFR 332.3(l)(3) and 332.8(p)(1), to notify the U.S. Army Corps of Engineers of the sale of federal credits from the Nokuse Plantation Mitigation Bank (NPMB). In support of this, the following information is provided and a copy of the Department of the Army (DOA) permit requiring the credit purchase is attached:

- Florida Department of Transportation, District 3
- DOA Permit Number: SAJ-2011-00953 (SP-AAK)
- Number of Credits: 31.32
- Type of Credits: Palustrine Forested

The federal credits noted above have been paid in full and we have deducted them from the Federal ledger for NPMB. By action of this sale, the sponsor for the NPMB has accepted the responsibility for providing the compensatory mitigation required by special condition 9 of the DOA permit noted above. If you have any questions regarding this request, please contact me at 850-510-1047.

Sincerely,

---
