Water Resource Caution Area

Area of Resource Concern

These maps are a visual representation of the District's groundwater regulatory areas by county.
The Areas of Resource Concern and Water Resource Caution Areas are derived from Chapter 40A-2, Florida Administrative Code.

This map was compiled from U.S. Geological
Survey quadrangle maps, aerial photography flown
in Oct., 1986, General Land Office maps, and
aerobase maps from May, 2001, and other map data
from the National Center for Geographic Information
Systems (NCGIS).
The map was prepared on the Lambert con-
formal conic projection, North Zone, Florida System
of plane coordinates.
The shaded areas shown on this map are not
necessarily the same as those shown on the
aerobase maps. They are shown as a guide
only and are not to be used for any purpose
other than for general reference.
No claim is made for the basic configuration of
the map data. The map is the property of the
State Government.
