DIRECTIONS

#1: Month and year of reported pumping.

#2: Permit Number (Example: 20001234) and county of withdrawal location.

#3: Name as it appears on permit.

#4: Well ID number (Example: AAA1234 or MM#1).

#5: Crop(s) type(s) by this well/intake.

#6: Net acres irrigated by this well/intake.

#7: Irrigation system type (Example: center pivot).

#8: Comments describing any shut downs, leaks, etc.

#9: Meter reading for start of the day.

#10: Meter reading at the end of each day.

#11: Use values for each day (subtract end from start values).

#12: Total monthly withdrawal for this well/intake (add usages for each day).

#13: Value of maximum usage in a single day from this well/intake.

#14: Information of person completing this form.
