Chipley, Florida 32428

Dear Mrs. Giddens:

We are pleased to enclose a Department of the Army permit which should be available at the construction site. Work may begin in accordance with the terms and conditions of the issued permit and the Corps of Engineers must be notified of:

- a. The date of commencement of work,
- b. The dates of work suspensions and resumptions if work is suspended over a week, and
- c. The date of final completion.

This information should be mailed to the Enforcement Section of the Regulatory Division of the Jacksonville District Corps of Engineers at Post Office Box 4970, Jacksonville, Florida 32232-0019. The Enforcement Section is responsible for inspections to determine whether Permittees have strictly adhered to permit conditions.

IT IS NOT LAWFUL TO DEVIATE FROM  
THE APPROVED PLANS ENCLOSED.

Sincerely,

A handwritten signature in black ink, appearing to read "Cliff Payne", though the caption identifies the signatory as Lawrence C. Evans.

extension to this office for consideration at least one month before the above date is reached.

2. You must maintain the activity authorized by this permit in good condition and in conformance with the terms and conditions of this permit. You are not relieved of this requirement if you abandon the permitted activity, although you may make a good faith transfer to a third party in compliance with General Condition 4 below. Should you wish to cease to maintain the authorized activity or should you desire to abandon it without a good faith transfer, you must obtain a modification of this permit from this office, which may require restoration of the area.

3. If you discover any previously unknown historic or archeological remains while accomplishing the activity authorized by this permit, you must immediately notify this office of what you have found. We will initiate the Federal and State coordination required to determine if the remains warrant a recovery effort or if the site is eligible for listing in the National Register of Historic Places.

4. If you sell the property associated with this permit, you must obtain the signature and the mailing address of the new owner in the space provided and forward a copy of the permit to this office to validate the transfer of this authorization.

5. If a conditioned water quality certification has been issued for your project, you must comply with the conditions specified in the certification as special conditions to this permit.

6. You must allow representatives from this office to inspect the authorized activity at any time deemed necessary to ensure that it is being or has been accomplished in accordance with the terms and conditions of your permit.

Permittee: Florida Department of Transportation  
Permit No: SAJ-2005-1406 (IP-SEG)

Special Conditions:

1. Within 60 days of completion of the work authorized and mitigation (if applicable), the attached "Self-Certification Statement of Compliance" must be completed and submitted to the U.S. Army Corps of Engineers. Mail the completed form to the Regulatory Division, Enforcement Branch, Post Office Box 4970, Jacksonville, Florida 32232-0019.
  
2. Turbidity screens shall be placed along the limits of the authorized fill areas as shown on the enclosed permit drawings to eliminate erosional sedimentation from entering the surrounding wetlands.
  
3. The permittee will accomplish all offsite mitigation as required by the Florida Department of Environmental Protection Permit 37-0242009-001-DF within 2 years of the initiation of traffic flow on the proposed traffic lanes.
  
4. The applicant will notify the Corps in writing 5 working days prior to the authorized work commencing and upon initiation of traffic flow on the proposed traffic lanes.
  
5. Within 60 days of the completion of the authorized work the applicant will submit a Self-Certification Statement of Compliance to the Corps.
  
6. The permittee will provide pre-project and post-project photographs of the mitigation areas noted on sheets 11 & 12 of 12 of the permit drawings. The photographs will be mailed to the Corps of Engineers Gainesville Regulatory Office with the notifications referenced in Special Condition 4 above.

Further Information:

1. Congressional Authorities: You have been authorized to undertake the activity described above pursuant to:

Permittee: Florida Department of Transportation

Permit No: SAJ-2005-1406 (IP-SEG)

Page 4

( ) Section 10 of the Rivers and Harbors Act of 1899 (33 U.S.C. 403).

(X ) Section 404 of the Clean Water Act (33 U.S.C. 1344).

( ) Section 103 of the Marine Protection, Research and Sanctuaries Act of 1972 (33 U.S.C. 1413).

2. Limits of this authorization.

a. This permit does not obviate the need to obtain other Federal, State, or local authorizations required by law.

b. This permit does not grant any property rights or exclusive privileges.

c. This permit does not authorize any injury to the property or rights of others.

d. This permit does not authorize interference with any existing or proposed Federal projects.

3. Limits of Federal Liability. In issuing this permit, the Federal Government does not assume any liability for the following:

a. Damages to the permitted project or uses thereof as a result of other permitted or unpermitted activities or from natural causes.

b. Damages to the permitted project or uses thereof as a result of current or future activities undertaken by or on behalf of the United States in the public interest.

c. Damages to persons, property, or to other permitted or unpermitted activities or structures caused by the activity authorized by this permit.

d. Design or construction deficiencies associated with the permitted work.

Permittee: Florida Department of Transportation

Permit No: SAJ-2005-1406 (IP-SEG)

e. Damage claims associated with any future modification, suspension, or revocation of this permit.

4. Reliance on Applicant's Data: The determination of this office that issuance of this permit is not contrary to the public interest was made in reliance on the information you provided.

5. Reevaluation of Permit Decision: This office may reevaluate its decision on this permit at any time the circumstances warrant. Circumstances that could require a reevaluation include, but are not limited to, the following:

a. You fail to comply with the terms and conditions of this permit.

b. The information provided by you in support of your permit application proves to have been false, incomplete, or inaccurate (see 4 above).

c. Significant new information surfaces which this office did not consider in reaching the original public interest decision.

Such a reevaluation may result in a determination that it is appropriate to use the suspension, modification, and revocation procedures contained in 33 CFR 325.7 or enforcement procedures such as those contained in 33 CFR 326.4 and 326.5. The referenced enforcement procedures provide for the issuance of an administrative order requiring you comply with the terms and conditions of your permit and for the initiation of legal action where appropriate. You will be required to pay for any corrective measures ordered by this office, and if you fail to comply with such directive, this office may in certain situations (such as those specified in 33 CFR 209.170) accomplish the corrective measures by contract or otherwise and bill you for the cost.

6. Extensions: General Condition 1 establishes a time limit for the completion of the activity authorized by this permit. Unless there are circumstances requiring either a prompt completion of

Permittee: Florida Department of Transportation

DEPARTMENT OF THE ARMY PERMIT TRANSFER REQUEST

PERMIT NUMBER: SAJ-2005-1406 (IP-SEG)

When the structures or work authorized by this permit are still in existence at the time the property is transferred, the terms and conditions of this permit will continue to be binding on the new owner(s) of the property. Although the construction period for works authorized by Department of the Army permits is finite, the permit itself, with its limitations, does not expire.

To validate the transfer of this permit and the associated liabilities associated with compliance with its terms and conditions, have the transferee sign and date below and mail to the U.S. Army Corps of Engineers, Gainesville Regulatory Office, 2831 NW 41<sup>ST</sup> Street Suite K, Gainesville, Florida 32601.
