This **ADDENDUM NO. 2** is issued for Continuing Services for Groundwater Flow and Transport Modeling; Hydrogeological Data Collection and Evaluation; and/or Watershed Planning, Assessment, and Program Administration for **RFP 25-001** to make the following changes to the RFP package.

REVISIONS:

The introduction to Section 2.1 (Proposal Requirements) is revised to read as follows.

“2.1 Proposal Requirements

Respondents can apply for all or any of the categories listed in this RFP. Each category will be evaluated separately and independently. It is preferable for Respondents to provide a separate proposal for each category for which they are applying. Respondents must clearly indicate the category(ies) for which they wish to be considered on each proposal to guarantee full consideration.

Proposals submitted for RFP 25-001 to the Northwest Florida Water Management District are to, at a minimum, include the following information:”

Section 2.1, subparagraphs A through J remain unchanged.
