The District solicits offers for the services of responsible bidders to perform “2025 Ground Site Prep Herbicide Treatment” for the ground application of chemical herbicides for site preparation and vegetation management purposes on two units totaling 435 acres within the Econfina Creek Water Management Area in Washington County, Florida.

1.5 AWARDING OF BID

The District anticipates entering into a contract with the bidder who submits a qualified responsive bid judged by the District to be the lowest cost for the specified services. The District reserves the right to award the bid to the next lowest responsive bidder in the event the successful respondent fails to enter into the Agreement, or the Agreement with said respondent is terminated within 90 days of the effective date.

The respondent understands this bid does not constitute an agreement or a contract with the District. An official contract or agreement is not binding until the bids are reviewed and accepted by appointed staff, approved by the appropriate level of authority within the District, and the contract or agreement is executed by both parties.

The District reserves the right to reject any and all bids, to negotiate with the qualified Contractor submitting the lowest bid, to waive any irregularities of a minor nature, and to solicit and re-advertise for other bids. Mistakes clearly evident on the face of the bid documents, such as computation errors, may be corrected by the District. Per s. 255.0991, F.S., the District has no regulation that provides Contractor preference as described in that statute.

All bids may be subject to the approval of the Northwest Florida Water Management District Governing Board at a duly noticed Board meeting.

Notice of a bid award shall be posted to the District's website, DemandStar website, and the State of Florida's Vendor Information Portal website.

1.6 DEVELOPMENT COSTS

The District shall not be responsible or liable for any expenses incurred in connection with the preparation of a response to this bid. Respondents should prepare the bid simply and economically, to provide a straightforward and concise description of the respondent's ability to meet the requirements of the bid.

1.7 CONFLICT OF INTEREST

The award hereunder is subject to Ch. 112, F.S. All bidders shall disclose with their bids the name of any officer, director, board member or agent who is also an employee of the State of Florida, or any of its agencies. Further, all bidders shall disclose the name of any state employee or any board member or employee of the District who owns directly or indirectly an interest of five percent (5%) or more in the bidder's firm, subsidiaries, or branches. If none, state none.

1.8 DISTRICT FORMS AND RULES

When included, all forms supplied by the Northwest Florida Water Management District shall be submitted with the bids. All bids must comply with applicable Florida Statutes, laws, and rules.

There will not be oral presentations for this solicitation.

1.10 INQUIRIES AND ADDENDA

If addenda become necessary, the District will provide written addenda and post addenda on the District's website, DemandStar website, and on the State of Florida's Vendor Information Portal website at least ten (10) calendar days before the bid opening date. Prospective bidders are responsible for determining whether addenda have been issued and are advised to check the websites or with the District's Procurement Officer prior to submitting their bid.

Submission of a bid constitutes acknowledgment of receipt of all addenda. Bids will be construed as though all addenda have been received. Failure of the respondent to obtain any addenda does not relieve respondent from any and all obligations under the bid, as submitted. All addenda

become part of the Contract Documents.

The District and respondents shall adhere to the following schedule in all actions concerning this bid.

- On July 23, 2025, the District issues the Invitation to Bid.

After bids have been submitted, respondents shall not assert that there was a misunderstanding concerning the number or type of parameters nor the accuracy required of each parameter.

Bids received by the District in response to this ITB will become a public record (unless an exemption to Florida's Public Records Law applies) when the District provides notice of its intended decision or 30 days after opening the bids, whichever is earlier. If the District rejects all bids and concurrently provides notice of its intent to reissue the ITB, the rejected bids remain exempt from Florida's Public Records Law until such time as the District provides notice of an intended decision concerning the reissued ITB or until it withdraws the reissued ITB. A bid is not exempt for longer than 12 months after the initial notice rejecting all bids.

Bids will be made available for inspection at the time the District posts notice of its decision or intended decision concerning contract awards or 30 days after the bid opening, whichever is earlier.

The District is not required to waive a minor irregularity and has the sole discretion to determine whether a minor irregularity should be waived.

1.26 COOPERATIVE PURCHASING

Pursuant to their own governing laws, and subject to the agreement of the Vendor, other entities may be permitted to make purchases at the terms and conditions contained herein. This agreement (the "Agreement") is by and between the Northwest Florida Water Management District (hereinafter, the District) and _____ (hereinafter, the Contractor). The District and the Contractor hereby agree as follows:

SECTION 1 – SCOPE OF SERVICES

The Contractor shall perform and render all services and deliverables hereunder (the "Work") as an independent contractor of the District and not as an agent, representative, or employee of the District. Work shall be provided in accordance with the Contractor's proposal submitted in response to _____ entitled "_____" incorporated herein by reference, and the Scope of Work incorporated herein by reference, as Attachment A.

SECTION 2 – RESPONSIBILITIES OF CONTRACTOR

- A. The Contractor is responsible for the timely completion, professional quality, and technical accuracy of all Work provided to the District under the terms of this Agreement. The Contractor shall, without additional compensation, correct or revise any errors, omissions or other deficiencies caused by the Contractor and identified by the District in reports, drawings, and in conjunction with all other Work provided for under this Agreement.
- B. The District's approval of field activities, reports, drawings, other services, and incidental Work or materials furnished hereunder shall not in any way relieve the Contractor of responsibility for the technical adequacy of its Work. For the purposes of this Agreement, technical adequacy shall refer to the performance of all Work in accordance with the Quality Assurance requirements set forth in the Contractor's proposal (where applicable) and with said Work performed in accordance with the generally accepted standards and professional practices. The District's review, approval, acceptance, or payment for any of the Work shall not be construed as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.
- C. The Contractor shall be, and shall remain, liable in accordance with applicable law for all damages to the District caused by the Contractor's negligent performance of any of the Work furnished under this Agreement.
- D. As provided under s. 216.347, F.S., expenditure of District funds for purposes of lobbying, including of the Legislature, judicial branch, or any state agency, is prohibited.
- E. The Contractor's obligations under this Section are in addition to the Contractor's other expressed or implied assurances under this Agreement or state law and in no way diminish any other rights that the District may have against the Contractor for deficiencies in Work.

- F. The Contractor shall indemnify and hold harmless the District, and its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Contractor and other persons employed or utilized by the Contractor in the performance of this Agreement.
- G. The Contractor warrants and represents that it has not employed or retained any company or person, other than a bona fide employee working solely for the Contractor, to solicit or secure this Agreement and that the Contractor has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Contractor, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.
- H. The Contractor certifies that it and any of its affiliates (i) are not on the Scrutinized Companies that Boycott Israel List or engaged or participating in a boycott of Israel, and (ii) are not on the Scrutinized Companies with Activities in Sudan List, and (iii) are not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, and (iv) are not on the Scrutinized Companies with Activities in Iran Terrorism Sectors List, and (v) do not have business operations in Cuba or Syria. The District may immediately terminate this Agreement at its sole option if the Contractor is found to have submitted a false certification or is placed on any of the foregoing lists or is engaged or participating in the boycott of Israel during the term of the Agreement. The District shall bring a civil action against the Contractor, as required in s. 287.135(5), F.S., for violation of this provision. As provided in s. 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.
- I. The Contractor covenants that it presently has no conflict of interest and shall not acquire any interest which would conflict in any manner or degree with the performance under this Agreement.
- J. Upon execution of this Agreement, the Contractor shall furnish a company check, cashier's check, money order, or surety bond (the "security deposit" or "Surety Bond" as the case may be) to serve as a Performance Bond, in the amount of _____ of the Contract Price of _____.
- i. The Performance Bond shall be held by the District to insure contract compliance and to pay any damages sustained by the District due to the Contractor's negligence or breach of contract; provided, however, that such Performance Bond shall not relieve Contractor from its obligation to indemnify as provided in Section 2.F. hereof.
 - ii. If a security deposit is provided by the Contractor as the Performance Bond, the security deposit shall be returned to Contractor at the conclusion of the Term (defined below) provided all of the terms of this Agreement have been complied with to the satisfaction of the District.
 - iii. If a Surety Bond is provided by the Contractor as the Performance Bond, it shall include a provision whereby the surety company waives notice of any alteration to this Agreement or extension of the Term made by the District. The Surety Bond will remain in force beyond the Term in accordance with any extension granted by the District.
 - iv. The security deposit or Surety Bond, as the case may be, shall, upon failure of the Contractor to fulfill all conditions and requirements herein or made a part hereof, be retained by the District to be applied to satisfy the Contractor's obligations hereunder.

SECTION 3 – TRUTH-IN-NEGOTIATIONS

The Contractor certifies that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. The original contract price and any additions thereto will be adjusted to exclude any significant sums by which the District determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such contract adjustments must be made within one year following the end of this Agreement.

- B. If the Contractor fails to fulfill its obligations in a timely and proper manner under this Agreement, or if the Contractor violates any of the covenants, agreements, or stipulations of this Agreement, the District has the right to terminate this Agreement. - D. If the Contractor meets the definition of "Contractor" found in s. 119.0701(1)(a), F.S. There are no provisions, terms, conditions, or obligations other than those contained herein; and this Agreement shall supersede all previous communication, representation, or agreements, either verbal or written, between the parties hereto.

This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

SECTION 22 – OTHER STATUTORY PROVISIONS

- A. Disclosure of Gifts from Foreign Sources. If the value of the grant or contract under this Agreement is \$100,000 or more, Grantee or Contractor shall disclose to the District any current or prior interest of, any contract with, or any grant or gift received from a foreign country of concern, as defined in section 286.101, F.S., if such interest, contract, or grant or gift has a value of \$50,000 or more and such interest existed at any time or such contract or grant or gift was received or in force at any time during the previous 5 years. Such disclosure shall include the name and mailing address of the disclosing entity, the amount of the contract or grant or gift or the value of the interest disclosed, the applicable foreign country of concern and, if applicable, the date of termination of the contract or interest, the date of receipt of the grant or gift, and the name of the agent or controlled entity that is the source or interest holder. If the disclosure requirement is applicable as described above, then within 1 year before applying for any grant or contracting with the District, Grantee or Contractor must also provide a copy of such disclosure to the Department of Financial Services.
- B. Food Commodities. To the extent authorized by federal law, the District, its grantees, contractors, and subcontractors shall give preference to food commodities grown or produced in this state when purchasing food commodities, including farm products as defined in section 823.14, F.S., of any class, variety, or use thereof in their natural state or as processed by a farm operation or processor for the purpose of marketing such product.
- C. Anti-human Trafficking. If the Grantee or Contractor is a nongovernmental entity, the Grantee or Contractor must provide the District with an affidavit signed by an officer or a representative of the Grantee or Contractor under penalty of perjury attesting that the Grantee or Contractor does not use coercion for labor or services as defined in section 787.06, F.S.

D. Iron and Steel for Public Works Projects. If this Agreement funds a “public works project” as defined in section 255.0993, F.S., or the purchase of materials to be used in a public works project, any iron or steel permanently incorporated in the Project must be “produced in the United States,” as defined in section 255.0993, F.S. This requirement does not apply if the District determines that any of the following circumstances apply to the Project:

- i. iron or steel products produced in the United States are not produced in sufficient quantities, reasonably available, or of satisfactory quality;
- ii. the use of iron or steel products produced in the United States will increase the total cost of the project by more than twenty percent (20%); or
- iii. complying with this requirement is inconsistent with the public interest.

Further, this requirement does not prevent the Grantee’s or Contractor’s minimal use of foreign steel and iron materials if:

- iv. such materials are incidental or ancillary to the primary product and are not separately identified in the project specifications; and
- v. the “cost” of such materials, as defined in section 255.0993, F.S., does not exceed one-tenth of one percent (1%) of the total Project Cost under this Agreement or \$2,500, whichever is greater.

Electrical components, equipment, systems, and appurtenances, including supports, covers, shielding, and other appurtenances related to an electrical system that are necessary for operation or concealment (except transmission and distribution poles) are not considered to be iron or steel products and are, therefore, exempt from the requirements of this paragraph.

This provision shall be applied in a manner consistent with and may not be construed to impair the state’s obligations under any international agreement.

IN WITNESS THEREOF, the District and the Contractor have executed this Agreement as of the date below written.
