RE: Mitigation Inventory - Revision

Dear Mr. Cairns:

Attached is a copy of the revised Mitigation Inventory for FY2003/2004 in which the Quincy By-Pass (FIN 2189461) has been removed. This project has been removed from the inventory because of the construction date being moved out to FY 2008.

If you have any questions or need further information, please call me at the above number or SunCom 767-1512.

Sincerely,

A handwritten signature in cursive script that reads "Frank Roberts".
