Date posted: 8/26/2026 Last day for receipt of information: 9/17/2026

This description of commodities or contractual services intended for purchase from a single source is posted in accordance with Sections 120.57(3) and 287.057(3), Florida Statutes (F.S.), and will remain posted for a period of at least 15 business days.

Commodity or Contractual Service Required (commodity or United National Standard Products and Services Code (UNSPSC), manufacturer, model, and description, as appropriate):

43232605 – Analytical or scientific software

80101507 – Information Technology Consultation Services

81101512 – Geographic information system GIS services

81111811 – Technical Support or Help Desk Services

81112200 - Software Maintenance and Support

Quantity or Term (as appropriate):

1 year

Requestor (division, bureau, office, individual, as appropriate):

IT Bureau

Performance and/or Design Requirements (e.g. intended use, function or application, compatibility, requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate):

Must be able to provide ESRI Enterprise Advantage Program (EEAP) enterprise-wide visioning and geospatial enablement through technical advisory, an annual planning meeting, a collaboratively developed technical work plan, and access to exclusive quarterly technology webcasts. Provide access to a combination of ESRI consulting, premium support, and training

services. This configuration includes a one day annual planning session; up to 100 ESRI Technical Advisor hours; Quarterly Technology Webcasts and 100 ESRI Learning and Services Credits. Subject to the terms & conditions of ESRI Enterprise Advantage Program Agreement (E125).

Intended Single Source:

Environmental Systems Research Institute, Inc.

Estimated Dollar Amount:

\$85,700.00

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate):

The District intends to renew an annual ESRI Enterprise Advantage Program (EEAP) License and Support agreement with Environmental Systems Research Institute, Inc. ESRI is the copyright owner of ArcGIS and the only authorized agent to provide licenses and support for said technology.

Approved By (names & titles, as appropriate, e.g., requestor, requestor management, information systems, budget, purchasing):

Danny Layfield, Director, Asset Management

Jack Furney, Director of Administrative Services

Caitlin Brongel, Chief of Staff

Andrew Joslyn, Deputy Executive Director

Lyle Seigler, Executive Director

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If it is determined in writing by the agency, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the agency shall provide notice of its intended decision to enter a single-source purchase contract in the manner specified in Rule 60A-1.045, Florida Administrative Code, and section 120.57(3), F.S.
